HOLDINGS (PTY) LTD

WHO WE ARE

Aquila Holdings (Pty) Ltd is an African project development, investment and infrastructure company dedicated to solving the continent's most pressing **climate, environmental and socio-economic challenges** through **commercially sustainable green infrastructure**.

the company develops, finances and manages high impact projects that contribute to **climate resilience, sustainable industrialization and inclusive economic growth** across Africa.

Our approach combines **infrastructure development, financial engineering, climate finance, project finance and strategic partnerships** to transform ambitious concepts into **bankable investment opportunities** capable of attracting both public and private capital.

OUR VISION

To be Africa's most trusted partner in sustainable infrastructure and responsible investment, driving prosperity for generations to come.

OUR MISSION

To develop, finance and manage high-impact projects that build climate-resilient infrastructure, create inclusive growth and promote a sustainable future for Africa.

INTEGRITY

We uphold the highest standards of honesty, transparency and accountability in everything we do.

SUSTAINABILITY

We are committed to environmental stewardship and creating lasting positive impact.

OUR CORE VALUES

INNOVATION

We embrace creativity and technology to deliver forward-thinking solutions.

EXCELLENCE

We strive for excellence in our performance, projects and partnerships.

PARTNERSHIP

We believe in collaboration and strong relationships to achieve shared success.

Building Today. Sustaining Tomorrow.

WHAT WE DO

Building sustainable solutions for Africa's future.

Through **innovation, financial expertise** and **strategic partnerships**, we develop bankable projects that deliver lasting **environmental, social** and **economic impact**.
